Scripture and Memory Verse: *Romans 12:1-2*

## This Week's Questions to Answer

Each day this week you will encounter a question to answer. Take time to read the passage of Scripture that relates to the question. Work on your memory verse each week. ## Key Point

God created us to worship Him. The Biblical record shows God created angels and humans to have relationship and fellowship with Him. At some point in history past, Satan desired to overthrow God and have all creation worship him. (*Isaiah 14:12-14*) Satan, in the form of a serpent led God's greatest creation into sin. Man and woman sinned against their Holy Creator and were separated from Him spiritually. Satan still leads people away from worship of God to his own agenda. ## Quote of the Week

“Worship is the response of an adoring heart to the magnificence of God. In the highest sense of the word, it is the occupation of the created with the Creator Himself. It is the pure joy of magnifying the One whose name is above every other name.”<sup>2</sup>

## Reference Point

As we dig into Scripture to answer our five questions of the week, be careful to listen to what God is saying to you directly. As we will notice, in the Old Testament, God had a Temple in which His people were to worship Him. (*1 Chronicles 28:11-12,19*). It was the plan of God.

In the New Testament, Jesus shared with the woman at the well that God was moving the Temple to dwell in our lives. As believers, we have become the Temple of God. We are a vessel to carry out worship both privately and corporately.

## Activity

Read (*Psalms 45:1* and *103:1*) How have you sensed God’s desire for your worship? What is your reaction to God when you experience Him in worship? \_\_\_\_\_
